Whereas, it is reported in the press that a small group of politicians have sent a telegram to the Louisiana Legislature apologizing for the action of the Texas Legislature at the Second Called Session thereof in ratifying the Suffrage Amendment to the National Constitution; and

Whereas, said group of politicians have no right to speak for the Democracy of Texas, having themselves sought to discredit the National Democratic Administration, and wholly failed to do so, and being on the contrary themselves repudiated and severally rebuked by the Democracy of Texas at the Precinct Conventions of May 1st; and

Whereas, the Texas Legislature has acted fearlessly and courageously in settling the suffrage question in Texas, and added Texas to the list of those progressive States which have ratified said amendment; now

Therefore, be it resolved, that the Senate of Texas does hereby respectfully urge the Legislature of the State of Louisiana, now in session, to ratify the National Suffrage Amendment, and thus become the thirty-sixth, and only remaining necessary State to make National Woman Suffrage an accomplished fact.
